EDUCATION

Hunter College   NY, NY
Bachelors of Arts in Computer Science   December 2022
Deans list (2 semesters)

SKILLS

Programming: Python, SQL, R, HTML5, CSS, JavaScript, C++, Java
Technologies: Excel, MySql, Windows, MacOS, Vscode

PROJECT EXPERIENCE

Webpage Generator   Aug 2023
- Developed a program using Python that generates a web page with the HTML format structure with a name and description inputted from the user.

Restaurant Finder   July 2023
- Created a program using Python that asks the user to input if they are vegetarian, vegan, or gluten-free then shows the restaurants that match the specifications given.

Expenses Pie Chart   June 2023
- Implemented a program using Python Numpy that creates a pie chart from the given information that the user entered in a text file which includes info like their spending habits, investments, etc.

EXPERIENCE

Elmsford Food Pantry   Westchester, New York
Stocker   Sept 2015 – Jun 2017
- Collaborated with a team of seven to analyze an inventory at a small shop.
- Checked the expiration date of the merchandise and exported that data to the appropriate department for further analysis.
- Attained goods that have been approved by the manager to be distributed to citizens.

Jennie Clarkson Garden   Westchester, New York
Gardener   Sept 2015 – Jun 2017
- Planted vegetables and harvested the goods for further investigation.
- Guided a team of five to diagnose and transfer plants to their designated locations.

Andrus Nursing Home   Westchester, New York
Physical Therapist Transportation   Jun 2016 – Aug 2016
- Transported residents to and from assigned treatments and facilities in both wheelchairs and walkers.
